Good afternoon, Ms. Leddy.

I will need to come in and copy these records as soon as possible. If for some reason you're not accepting visitors in the office then I hope you will comply with the law and make these electronic files available to me at no cost by some other means.

Please advise.

Hello -

The records responsive to (FDBID.2019.10.25.b) are now available.

You may review the records during normal business hours on a mutually available date and time. At which time, you may download records to your own electronic device using a thumb drive, which is to be returned after transfer.

Alternatively, the BID can directly make available to you hard-copies of records, or copies of electronic records on a CD via mail. The cost of copies is \$.15 per page, and the cost of a CD is \$.80 each. The cost of mailing will be determined once the manner in which you would like to receive the records is established.

There are a total of 564 Files (528 MB).

Please respond with your pickup preference.

Thank you.
